RE: MY BLUE CROSS CONFERENCE PAPER *↑f*

Help! Here's the draft of the paper I am preparing for the upcoming Blue Cross conference at RU, which you offered to critique.

Eli Ginzberg and three others are preparing financial and organizational papers. My task is to raise -- in ten pages -- the broad ethical themes.

I would greatly appreciate your skimming it, indicating any reactions or suggestions, and sending it back by next Monday, April 29. My deadline is May 1. ✓
